

your monthly rental statistics for the Phoenix Metro area

RENT Check™ is ARMLS's monthly publication showcasing the Valley's residential single family leasing market. What's the RENT Check Quotient (RCQ)? It is the ratio of closed rentals to closed sales. For example, 1:2 (one to two) would mean for every 1 rental, there are 2 closed sales. 1:1 (one to one) would mean that the number of closed rentals and closed sales are the same.
